91.7% of exhibitors rated the NECA Show as Very Valuable or Valuable for meeting new prospects.

Is this the First Time You are Attending the NECA Show?

- Yes: 47%
- No: 53%

Who Attends

- Owner, President, Key Executive: 44.90%
- Project Mgr/Supervisor/Foreman/Purchasing Agent: 22.33%
- Journeyman: 5.83%
- Educator/Instructor: 5.10%
- Distributor: 1.46%
- Apprentice: 6.80%
- Other: 13.59%

2018 Attendee and Exhibitor Survey Results plus Registration Statistics
2018 NECA Show by the Numbers

64% of attendees are either solely responsible for making purchasing decisions or they are part of the decision-making process.

How likely are you to purchase a product or service seen during the 2018 NECA Show?

- Highly likely: 64%
- Somewhat likely: 36%

61% of attendees perform low voltage work. Top 10 categories (in order) include:

1. Wired communications systems
2. Fire Alarms
3. Lighting controls
4. Low voltage lighting
5. Data centers
6. Wireless communications
7. Security systems, CCTV & Access Control
8. Building & automation systems
9. Fiber optic systems
10. Sound & video

82% of attendees rate the Showstopper Showcase as Excellent and Very Valuable.

Comments From the 2018 Exhibitor Post-Show Survey

What did you like BEST about this NECA Show?

"Ability to meet new and existing customers and discuss our latest products."

"Lots of attendees, lots of leads generated, lots of networking. Great show!"

"great traffic on the show floor"

"It was well organized. Setting up and booth tear down was good."

"Networking with our existing accounts."

"tremendous attendance"

"The organization of booth spaces. There wasn't a bad spot on the floor. Everywhere you could have been positioned was advantageous for getting in front of customers."

"The venue was great. Philadelphia is a great city"

"By far, the best part of the 2018 NECA show was the address given by the President of the United States, Donald Trump. Absolutely fantastic!"

"We loved interacting with electricians and business owners. Got some good prospects."

"An opportunity to see key customers as well as our competitors to see what is new in the industry."
Comments From 2018 On-site Attendee Survey

“The NECA Show is an excellent network opportunity and I enjoyed the vendor presentations”
Larry Brabham, L R Brabham Inc

“NECA has the most impressive show.” Paul Maggi, Fisk Electric Company

“Best damn show I’ve ever been to” Michael Nielsen, A C Scott Electric Company Inc

“The show floor ‘pops’ this year. Great exhibitor layout. The apprentice brought a lot of energy to the show.” Greg Gossett, ERMCO

“Philadelphia was a fantastic show. The networking is invaluable. Vendor booths show new products and innovations very well.” Chelsea Butts, Service Electric, Inc.

“The NECA Show had great vendor representation and they were very enthusiastic and helpful.” Gidget Thompsen, Rosendin Electric

“Spectacular” Bradley McBride, Southern Contracting Company

“I came for new products and prefab ideas. I found both at the NECA Show.” Tyler Scholz, Giles Electric Co Inc

“The NECA Show is a place I take pride in having the opportunity to come every year as a young man. It is a place to learn and grow. I classify this show as historical!” David Sanchez, John Paul Electric Inc

“The best part of the NECA Show is networking with vendors and other contractors.” Todd Bro, ARC Electrical & Lighting Corp.

“The electrical field has a lot of energy and NECA is channeling it in the right direction.” Robert Metz, Metz Electric & Security

Exhibit History
2018 Technical Workshops

Over 50 Exhibitor Submittals Received for Consideration
• 50 Minute Sessions • 18 Topics Chosen by NECA Committee

- Schneider Electric, It’s Time to Think Outside the Grey Box
- Connectrac, Emerging Technologies to Deliver Power and Data
- Crestron, Wireless Lighting Control Made Easy
- WESCO – Hi-Line, Asset Tracking in the Digital Age
- Legrand, Planning for a Power Over Ethernet Environment
- Visual Live 3D, LLC, New Ways to Visualize 3D Models
- Leviton, Advances in Load Center Technologies and End-of-Life GFCI Breaker
- Kahua, Leveling the Playing Field
- Stanley Black & Decker, Reliable Jobsite Connectivity is Driving Productivity and Reducing Costs

- GPS Insight, Third Level Telematics: How to Drive Success by Connecting Data & Strategy
- Milwaukee Tool, Safety and Ergonomics to Improve Productivity on the Jobsite
- ABB / Thomas & Betts, Compression Connections and Cloud Based Technology
- Relectric, Key Considerations When Buying Surplus Equipment
- Westex by Milliken, The Last Line of Defense: PPE to Improve Your Company’s Safety Culture and Bottom Line
- Free Axez, Next Generation Power Distribution in the Commercial Environment
- Roof Sleeper Support/Miro Industries, Support Selection: The Right Support for the Right Application
- Tritium, Expand Your Skillset to Join the e-Mobility Revolution
- Hilti, OSHA Silica Regulations: Impact & Best Practices
Theaters on the Show Floor

NECA created several opportunities for exhibitor presentations. This comes as an attendee request for more education on the NECA Show floor.

These 18-minute presentations offer a great way to talk about a popular solution that contractors need on the job or in the office or better yet, demonstrate your newest Showstopper entry. It’s long enough to be serious and short enough to hold people’s attention. Exhibitors ended by inviting interested listeners back to their booth for a more in-depth conversation. This is an exclusive offer to 2018 confirmed exhibitors.

- TECHTOPIA
- Product Presentation Theater
- Lighting & Controls Theater
- Lineman Pavilion
- Health Zone

Comments include:

About TECHTOPIA: "Awesome technology displayed and great interactions!"

About Health Zone: "Good reminder on how to stay healthy in the job and take back pointers for the rest of our team."

About Product Presentation Theater: "The topics were good. I liked the creative titles. As always, they were informative."

2018 Attendee Survey (exact quotes)
2018 Showstopper Showcase

- Presented by Electrical Contractor Magazine

- Entries must have been introduced in the market between October 1, 2017 - October 1, 2018

- Independent Panel of Judges

- 164 Showstopper Entries

- 22 Winners

- Winners listed on www.ecmag.com and www.necanet.org now

- Winners featured in the January 2019 magazine issue
2018 Showstopper Award Winners

- Hilti, water management system
- IToolCo, swivel lifting coupling
- Klein Tool, hybrid pliers
- Leviton, Type A and Type C USB receptacles
- Lind Equipment, Beacon360 Spark modular LED spring light
- Patriot Industries, Patriot Magnum stainless steel conduit bodies
- Werner, Blue Armor H9140 arc flash harness
- 3M, Peltor WS_CUSH wireless communication accessory
- Arlington Industries, FLB gangable floor box and cover kits for new concrete pours
- Aris Wind, remote power unit for off-grid lighting.
- Bridgeport Fittings, MC-FLEXFIT adjustable MC Feeder cable connectors
- Cambria County Association for the Blind and Handicapped, CAB solar integrated grounding cable management system
- DeWalt, 20V MAX dual-switch band saw
- Dynamize, Ripjack for stripping URD primary cable
- Eaton, Double Door safety switch
- Enespro, AirLite PPE with Activecool Venting
- Flir, One Pro series affordable thermal imaging cameras for smartphones
- Greenlee, Shear 30T shearing station
- 3M, Peltor WS_CUSH wireless communication accessory
- Arlington Industries, FLB gangable floor box and cover kits for new concrete pours
- Aris Wind, remote power unit for off-grid lighting.
- Bridgeport Fittings, MC-FLEXFIT adjustable MC Feeder cable connectors
- Cambria County Association for the Blind and Handicapped, CAB solar integrated grounding cable management system
- DeWalt, 20V MAX dual-switch band saw
- Dynamize, Ripjack for stripping URD primary cable
- Eaton, Double Door safety switch
- Enespro, AirLite PPE with Activecool Venting
- Flir, One Pro series affordable thermal imaging cameras for smartphones
- Greenlee, Shear 30T shearing station
- 3M, Peltor WS_CUSH wireless communication accessory
- Arlington Industries, FLB gangable floor box and cover kits for new concrete pours
- Aris Wind, remote power unit for off-grid lighting.
- Bridgeport Fittings, MC-FLEXFIT adjustable MC Feeder cable connectors
- Cambria County Association for the Blind and Handicapped, CAB solar integrated grounding cable management system
- DeWalt, 20V MAX dual-switch band saw
