September 14 – 17, 2019
Mandalay Bay • Las Vegas
Presented by National Electrical Contractors Association

Product Presentation Theater

NECA is offering the chance for 2019 exhibitors to directly talk about their products and solutions for our industry. This 18 minute “TED Talk” type session can be product or service specific, and will take place in an open area directly on the NECA Show floor.

Why 18 minutes?

This opportunity offers a great way to talk about a popular solution that contractors need on the job or in the office, or demonstrate your newest Showstopper entry. It’s long enough to be serious and short enough to hold people’s attention. End by inviting interested listeners back to your booth for a more in-depth conversation. This is an exclusive offer to 2019 confirmed exhibitors.
