

NECA 2020 LIVE Showstopper Entry Form

Presented by *Electrical Contractor Magazine*

The NECA Showstopper Showcase and Awards is the most prestigious recognition event in the electrical construction industry. The Showcase is designed to introduce new products and services that will help electrical contractors do their work more effectively, efficiently and more profitably.

The NECA 2020 Live Showstopper final judging will take place on Monday, October 5, 2020. Winners will be announced Tuesday, October 6, 2020. Entries will **ONLY** be accepted from confirmed NECA 2020 LIVE exhibitors. Entries are not considered complete, and will not be judged, without uploading a photo to the NECA website and a complete description, by the deadline of Monday, Sept. 21, 2020.

Submittal Criteria & Rules - Please read carefully:

- The Showstopper Showcase & Awards is for New Products & Services that have been introduced in the market between October 1, 2019 - October 1, 2020.
- Products on the market older than this date do not qualify, and prototypes not yet available for market consumption do not qualify.
- Products that have previously won a NECA Showstopper do not qualify for entry.
- Revisions of existing products are NOT considered "New" and will not be considered.
- Entries MUST clearly describe the product and IF there is a model number, then it needs to be included in the description.
- NEW THIS YEAR: MAXIMUM number of entries per confirmed exhibitor is TEN (10)
- Note: Final Decisions are at the sole discretion of our independent panel of industry experts.
- Duplicate this form for multiple entries. Complete one form for each product entered.
- A detailed email will provide instructions to upload web descriptions and photos once entry has been paid and confirmed.
