# The Event

The National Electrical Contractors Association (NECA) is the voice of the \$225 billion electrical construction industry which is made up of 70,000 electrical contracting firms employing over 650,000 electrical workers. We bring power, light, and communication technology to buildings and communities across the U.S.

NECA opens its doors each year and invites all aspects of the electrical industry to meet and discuss the constant changes and growth opportunities in electrical construction work. The NECA Show is the #1 industry “must-attend” event of the year.

This report is a combination of responses from the 2023 onsite attendee survey plus numbers and statistics from the final registration reports.

## About Our Attendees

- Electrical Professionals attended the NECA Show from:
  - All **50** states in the USA
  - Canada
  - Puerto Rico
  - Mexico
- **37%** attended the NECA Show for the first time.

**91%**  
of attendees  
rated the NECA  
Show as  
Excellent or Very  
Good

*“The biggest thing for me is the networking opportunities with exhibitors. I walked the trade show multiple times and I stopped and talked to people about what they’re doing and what they’re innovating.”*

**Todd Grossweiler,  
Allison-Smith Company**

## Top Reasons Why They Attend

- See & Purchase New Products
- Education Sessions
- Networking

## Who They Are

- **42%** Owner/ President/ VP/ Key Execs
- **27%** Project Mgr./ Supervisor/ Foreman / Purchasing Agent
- **6%** Training Instructor
- **4%** Journeymen
- **3%** Apprentice
- **18%** Other

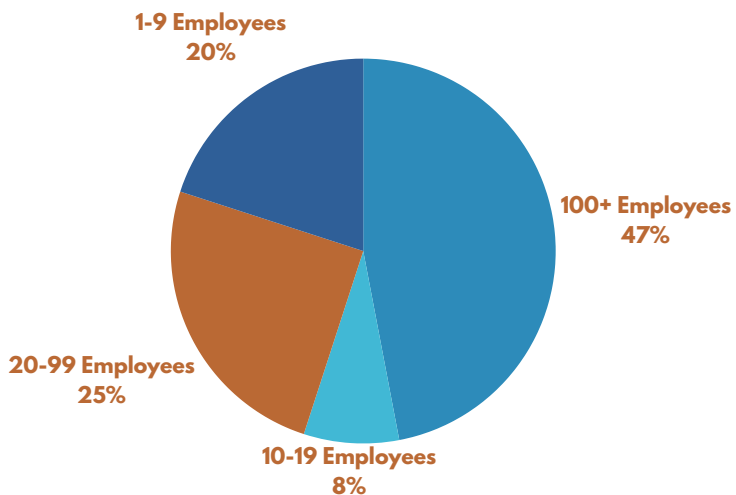

## About NECA Members

- **96%** Commercial / Industrial / Institutional
- **82%** Residential
- **88%** Non-Building (Parking Structures, Utilities, Runways, etc.)

### Size of NECA Firms Attending Philadelphia

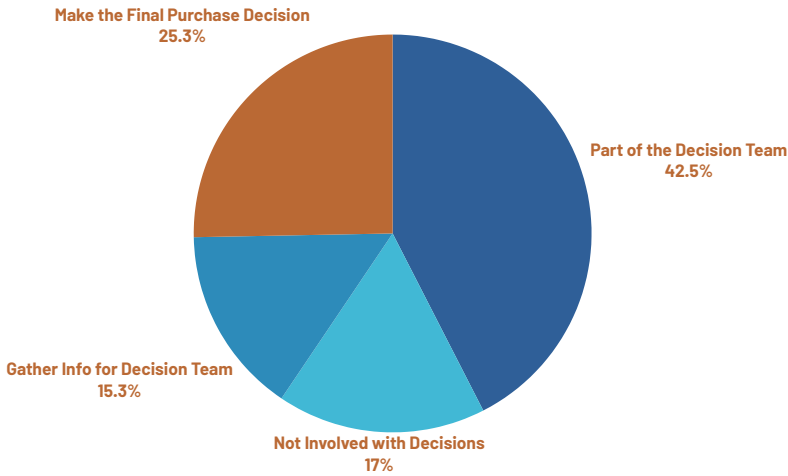

### Time Spent on the Trade Show Floor

- **32%** spent 10+ hours
- **36%** spent 6-9 hours
- **24%** spent 4-5 hours
- **8%** spent 1-3 hours

*"We've been thrilled with the NECA Show. It's been incredible, lots of traffic. We've had the opportunity to talk with contractors about how they can do more, learn more, and sell more."*

**Julia Cavaluzzi, Leviton**

# Attendee Purchasing Power

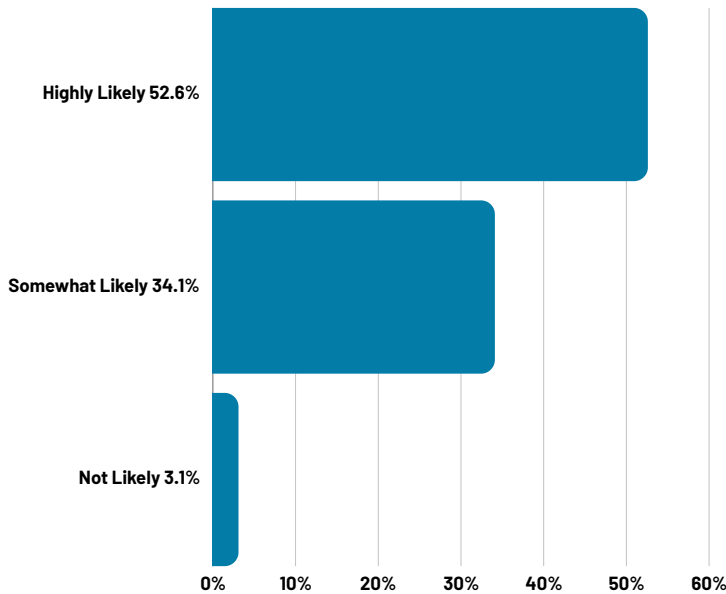

## Attendees looked for the following Products & Services

(categories listed starting with most selected)

- Tools
- Lighting
- Lighting Controls
- Conduit, Raceway, Wireway
- Cabling
- Boxes & Enclosures
- Back Up Power
- Connections & Terminations
- Grounding & Bonding
- Fasteners, Hangers, Clamps & Supports
- Switches & Switch Gear
- Building Automation & Controls
- Power Quality & Distribution
- Safety Equipment & Apparel
- Power (Traditional)
- Solar Energy/PV
- Low Voltage: Voice, Data, Video, Fiber Optics
- Pre-Fabrication
- Motors & Motor Controls
- Fire/Life Safety
- Transmission & Distribution Equipment
- Software: all types
- Security Equipment
- Computer Hardware & Equipment
- Online & Web Services
- Services: Financial, Insurance, Retirement, Etc.

## Plans to Purchase a Product seen at the NECA Show within the next 12 months

## *Attendees that perform Intelligent Buildings Work*

- **81%** LED Lighting
- **74%** Lighting Controls
- **64%** Fire Alarms
- **50%** Structured Wiring /Cabling
- **50%** Security Systems, CCTV & Access Control
- **49%** Building/Automation Controls
- **46%** Data Centers
- **45%** Fiber Optic Systems
- **45%** Wired Communication Systems
- **40%** Sound & Video
- **36%** Power over Ethernet (PoE)
- **35%** Nurse Call Systems
- **35%** Safety Systems
- **34%** Networking
- **34%** PV Systems (Solar / Photovoltaic)
- **30%** Energy Monitoring Systems
- **26%** Battery Energy Storage Systems
- **20%** Energy Storage Systems
- **13%** Microgrids

## *Attendees that perform Service & Maintenance Work*

- **70%** Service & Maintenance Ongoing Contracts
- **56%** Repair Work as Needed

*“For a small business it’s great networking and meeting new manufacturers that can help us as well as learning the new changes that are going on in our industry.”*

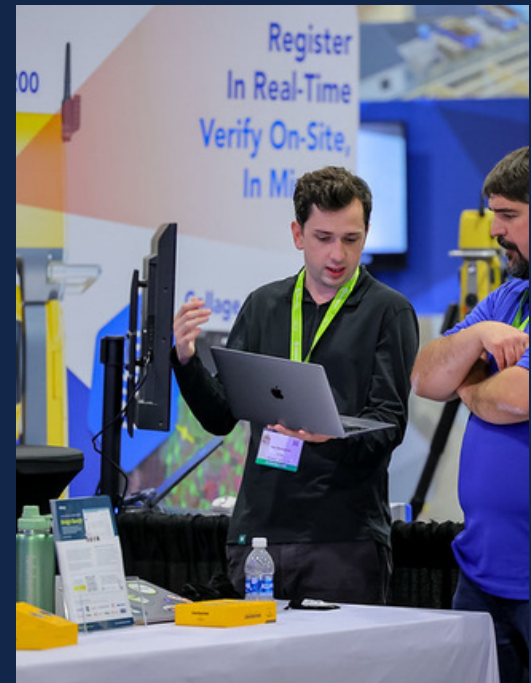

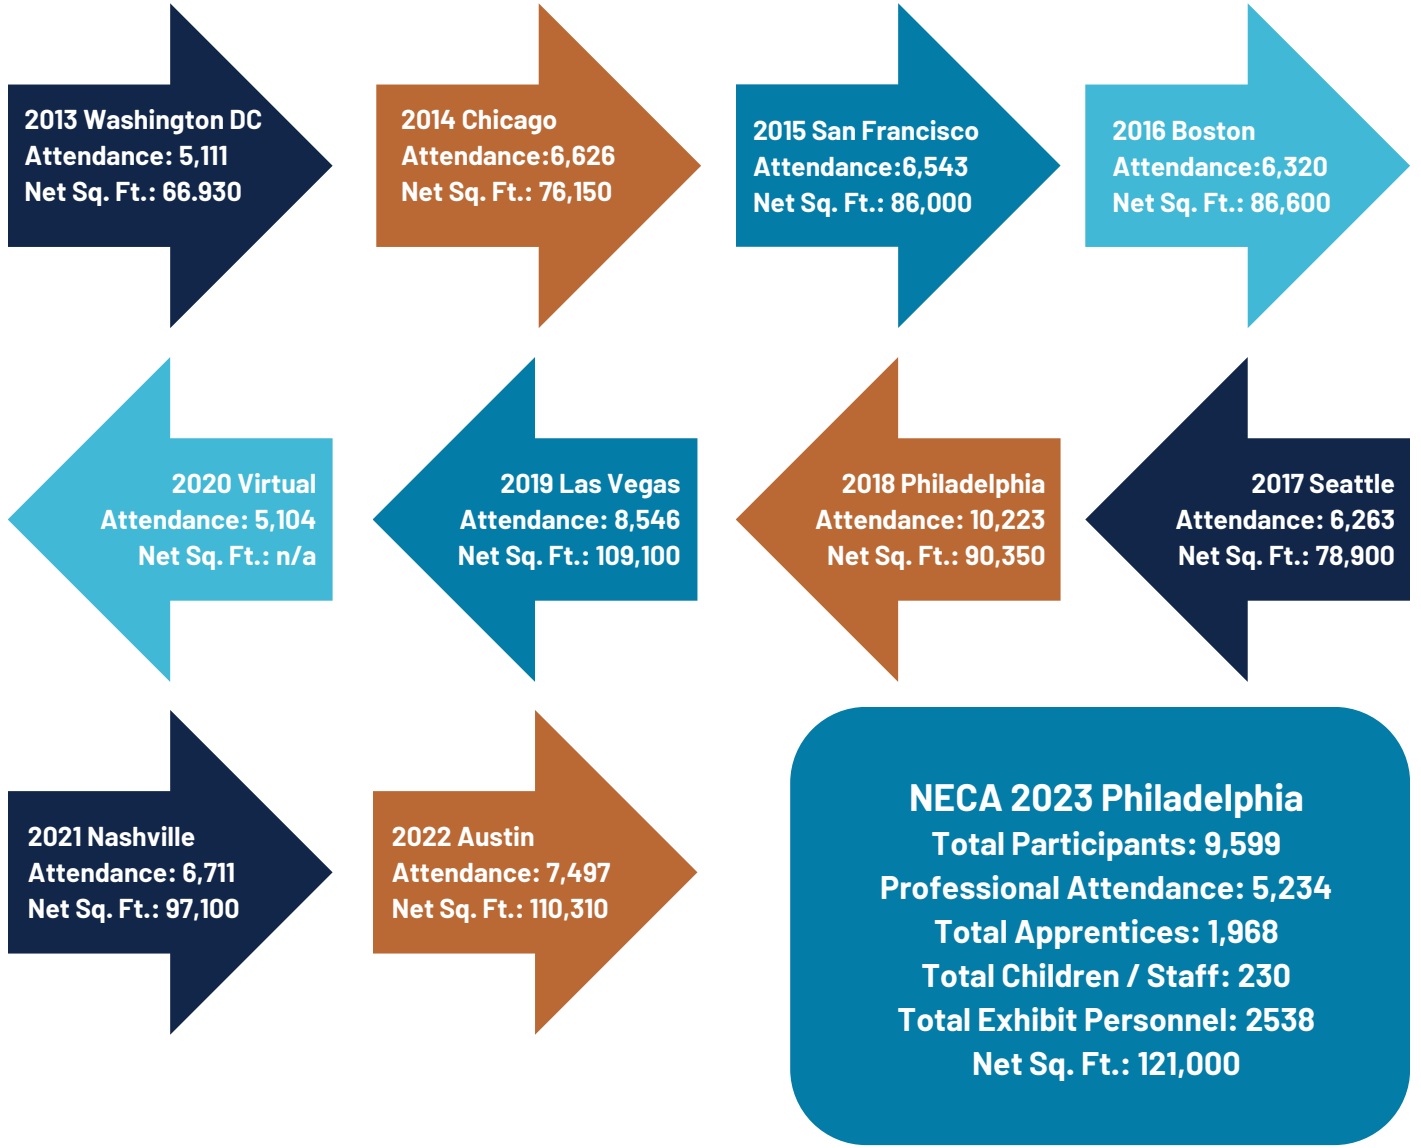

***Bobby Mann, Austin Electric Company***

# Our History

## Information at the Touch of a Finger

Attendees had very high utilization of the Official Mobile App again this year. Electrical professionals used it to plan their Philadelphia convention and trade show trip in advance and onsite. Here are the facts:

- 361,244 in-app clicks
- 139,803 exhibitor listings and searches
- 81,383 education session views and searches
- 142 average clicks per person
- 83% of IOS downloads
- 17% Android downloads

*"I come back every year just to see the new tools and new practices for larger construction projects."*  
**Dan Holmes, Navarre Services**

*"I've found some products I'll be talking to upper management about implementing in future construction projects."*  
**Brian Read, Pacific Electrical Contractors Inc**

# The 2023 Showstoppers

- **177** entries
- **25** winners

## The Winners

|                                |   |
|--------------------------------|---|
| ABB                            | T&B Fittings Dome Drain                         |
| American Polywater Corporation | PHPS Conduit Seal - Sleeve Seal                 |
| Arlington Industries           | Split Grounding Bushings                        |
| Atkore                         | Unistrut Trolley System                         |

## *Congratulations to the First Annual NECA Best Booth Award Winners*

All NECA 2023 Philadelphia exhibitors were automatically entered into our first ever Best Booth Awards. We honored those exhibitors who went over and above the normal expectations to deliver outstanding exhibit displays.

Anonymous industry professionals comprised the judging team. They looked for the most creative and effective ways of displaying products and services in the following areas:

- Company Identity
- Product Presentation
- Design Elements
- Rules & Regulations Compliance

**Congratulations to these fine companies:**

- **700 sq. ft. and above: ABB**
- **500 - 600 sq. ft.: Remarcable**
- **300 - 400 sq. ft.: Carhartt**
- **100 - 200 sq. ft.: Motive**

Start thinking about your NECA 2024  
San Diego booth display now.  
Good Luck!

# Trade Show Education

Thirty-six complimentary fifty-minute sessions offered in three classrooms on the Philadelphia trade show floor.

## NECA Gives Back

Each year, NECA tries to leave our convention city a little better off than when we arrived. This year, we presented three opportunities for attendees and exhibitors alike to participate in.

Always a hit, the Pause for Paws petting park benefitted the *TLC Rescue* and the new Claws for Cause benefitted *Here Kitty Kitty*, both located in Philadelphia. Many thanks to Graybar for helping make this happen. Each day, puppies and kittens were playful and providing lots of hugs, licks, and kisses. These adorable animals were available for adoption and all funds raised help provide critical basic needs.

NECA annually participates in the national adopt-a-school program, connecting local lower-funded schools in underprivileged communities with the electrical construction industry. NECA's Adopt-A-School Program benefitted *Mercy Career & Technical High School* in Philadelphia this year. Many thanks to 3M for their sponsorship of the highly successful Silent Auction, and to the NECA Penn-Del-Jersey chapter for donating their time, talent, and resources.

## *Many Thanks to All 2023 Sponsors*
